# SIZE-3 DOWNLIGHT

REDUCED GLARE, PINHOLE & SNOOT DOWNLIGHT

Introducing our size-3 downlight fixture demo case, which allows the selection of up to 4 downlight fixtures from the given list of reduced glare, pinhole or snoot downlights. The modular concept design provides flexibility of different combinations with various LED module choices to fulfil application needs, while LED modules are upgradeable to ensure that your lighting solution is future proof. Configure your downlights even further with options of multiple accessories.

Experience the versatility and functionality of our size-3 downlight fixtures today.

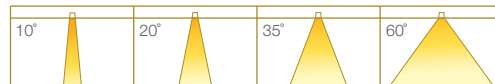

## Compatible LED Module

### Module Colour Temperature Variation

### Beam Angle

## Driver Dimming Variation
