VECO 2 SERIES

Veco 2 Trim

Veco 2 Trimless

An expansion to the VECO series of “reduced glare” down light fixtures, VECO 2 is also a new addition to the range of size-2 fixture selections. Paired with the newly upgraded 20 PRO (8W) and 20 CLASSIC (6.2W) LED modules, VECO 2 is highly efficient with LOR of >92% that produces an output of up to 721lm. VECO 2 is available in variants of with trim or trimless, fix or tilt, matt finished reflector or “dark light” reflector to suit different design intents.

Reduced glare luminaire that is small yet powerful.

Luminous flux:
419m to 721lm
